Hello! This month in Cree the students have been listening to and sharing stories. To help with remembering these stories, students are exploring different ways to share what they have learned. Many classes are making small figurines of some of the creatures in the stories (amisk, nikik ekwa wacask - beaver, otter, and muskrat). The younger grades are having fun playing games involving colors, numbers, and everyday words.

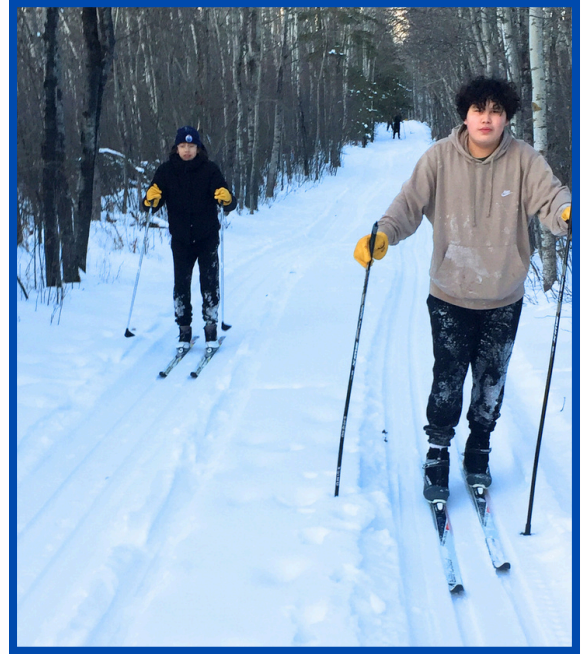

**Also, "kokom ekwa nikâwis" (the puppets) came out and are helping students practice their conversational Cree!
