Land Based Learning!

Land based students have been busy practicing archery, learning survival skills, knot tying and making distress signals throughout the winter.

Falcon Sports

Sr Girls Basketball Battle to the End

The senior girls basketball team ended their season at Zones in Lamont on March 14-15th. We only had 7 players. All weekend the girls never gave up and kept battling - winning the consolation 57-56 against Kitscoty. They played with composure, commitment, and passion; As their coach I couldn't have asked for more! Shoutout to our graduating players: Kaitlyn Jacula, Rhea Quinney, and Alexie Crane-Jackson for their leadership on and off the court.

Archery

Our archery team enjoyed the NASP Archery Provincials at the Expo Center in Edmonton. Many shot personal bests!

The Future Looks Bright

The grade 4, 5 and 6 development basketball teams have been honing their skills at practices at lunch recess. The teams showed great promise as they took to the court just before Spring Break, playing against Mallaig, Ecole du Sommet and Glendon.
